Terms for Residential Heating Fuels customers are Net 20 days from the date of invoice. A finance charge of 1.5% (18% per annually) will be charged on any invoices over 30 days past due. If the account becomes past due and collection procedures are necessary, applicant agrees to pay all cost associated with this collection. We reserve the right to determine the future of this account at our discretion.

I authorize Roberts Energy to receive information from my listed credit references regarding my past credit history.
